ALQUIMIA Tabletop

TABLETOP

Geometrically designed, Alquimia Tabletop can be enjoyed the same way from every angle. With a bold design, glorifies its flames searching perfection, as an alchemist looking for the perfect formula to turn anything into gold.

A small fireplace that charms for its symmetry and sophistication.

TULI Tabletop

TABLETOP

With new dimensions, Tuli Tabletop keeps intact the inspiration in nature. The new model retains all the attitude and ego that has always had with its elegant lines, now closer than ever and very adaptable to various types of tables or furniture.

It is a protagonist in any place and situation and it feels great about it.

OBLIQUE Tabletop single

TABLETOP

The elegance of a ramp, symmetrically built with a burner that awakens the deepest feelings of adjoining decoration. Perfect for modern sites, the Oblique Tabletop Single stands out due to its sober colours and durable materials. Depending on its location, provides various angles to be appreciated and can also be combined with the Oblique Tabletop Double.

Improve your creativity with the ramp of the Oblique Tabletop Single.
